

As I would not be a Slave  
So I would not be a  
Master. — This expresses  
my idea of democracy  
which differs from that  
in the East. The difference  
is no democracy.

Triumphant beginning  
of Pippa Passes -  
a glorious outburst of  
light color and splendor  
Impassioned and  
rushing, the very up-  
soaring of Apollon's head  
behind his furrow  
furrows -

It begins with the word  
like a single stroke  
on the song of nature  
it continues till the  
sky and the world  
below is flooded with  
an ocean of gold -

But then unless we find joy and  
submit to those lamentations and  
work within them, life is useless  
But while we work within them  
we see beyond them an eternal  
land and thrust for it -

The most important part of any  
study of Literature must be a  
detailed and loving acquaintance  
with a number of good books.

Beautiful - lovely - splendid -  
- fantastic - fantastic -

Browning's Story - There is that  
within us which is always  
endeavouring to transcend those  
limitations and which believe  
in their final dispersal  
This aspiration leads to something  
higher than any possible attainment  
upon earth - It is never worn out,  
it is the divine in us, and  
when it seems to decay God  
renews it by spiritual influences  
from without and within  
Coming to us from nature as seen  
by us  
from humanity as felt by us  
and from God who dwells in us 103
